It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—See article in the *Civil Service Gazette*.

MR. SAMUEL TINSLEY'S LIST OF NEW WORKS.

READY.

UNTRODDEN SPAIN, and her BLACK COUNTRY; being Sketches of the Life and Character of the Spaniard of the Interior. By HUGH JAMES ROSE, M.A., of Oriel College, Oxford; Chaplain to the English, French, and German Mining Companies of Linares; and formerly Acting Chaplain to Her Majesty's Forces at Dover Garrison. In 2 vols. 8vo, price 30s.

The ATHENÆUM says:—

"The result of his observations is one of the most trustworthy and interesting books upon Spanish life and manners in the southern provinces during a period of great political disquiet that we have ever had the good fortune to peruse. Evidently a gentleman and a scholar, with, in spite of his profession, a dash of the sportsman, Mr. Rose combines the calm good faith of the historian with the acumen of an advocate. . . . We regret that we cannot make further extracts, for 'Untrodden Spain' is by far the best book upon Spanish peasant life that we have ever met with. Valuable information is imparted in an honest, straightforward manner; and nothing is exaggerated. Travellers proverbially tell strange stories, but Mr. Rose has drawn upon fancy neither for his facts nor for figures."

The STANDARD says:—

"The author of this work has proved satisfactorily that there was room for another book on Spain. . . . It is fresh, life-like, and chatty, and is written by a man who is accustomed to look below the surface of things."

The JOHN BULL says:—

"Leaving subjects worn threadbare, or touching them lightly, he analyses in a way no one else has done the Spanish character. He has looked beneath the surface, and he has seen for himself some of their institutions. His sketch of domestic life in Spain is beyond praise. . . . We have rarely been able to recommend a book more cordially. It has not a dull page, and no one can rise from its perusal without learning more about Spain than he ever learnt by the most diligent perusal of political letters from that ill-fated country. For our author (whose style is good, method of arrangement lucid, and sympathies warm) not only is a keen observer of things below the surface, but has the rare art of imparting his information in a form alike pleasant and intelligible. The book deserves to be a great success."

The FIELD says:—

"An amount of really valuable information respecting the lower classes of Spaniards, their daily life and conversation, and ways of looking at things, such as few writers have given us."

MOODY AND SANKEY.

AMERICAN ORGANS in every variety of
CRAMER'S Manufacture and on **CRAMER'S**
Three Years' System.

Prices from 15 Guineas, or £1 11s. 6d. a Quarter.

CRAMER and Co. by no means wish it to be understood, as in some quarters it would seem to have been, that their
AMERICAN ORGANS are used by Messrs. Moody and Sankey at their interesting meetings.

CRAMER'S instruments are much more solid in manufacture, and infinitely superior in quality of tone, and are cer-
tainly not open to the objection made by perhaps the most influential literary and musical journal to the imported organs:—

"Judged from the artistic point of view, the instrument is no more agreeable to the ear than is the stentorian power
displayed by the singer."

Moreover, while CRAMER'S **AMERICAN ORGANS** are more satisfactorily made, and better finished in all respects, they
are sold at prices varying from 15 to 25 per cent. below those of all imported instruments.

These, and all other instruments of CRAMER'S manufacture, can be had on the three years' system, which, originated
by CRAMER'S, has been partially adopted by other firms, but is carried out on a thoroughly large and liberal scale only by
themselves.

JUST PUBLISHED,
THE HISTORY OF MUSIC (ART AND SCIENCE).

From the EARLIEST RECORDS to the FALL of the ROMAN EMPIRE. With EXPLANATIONS of ANCIENT SYSTEMS of MUSIC, ANCIENT MUSICAL INSTRUMENTS, and of the TRUE BASIS for the SCIENCE of MUSIC, ANCIENT or MODERN.

By W. CHAPPELL, F.S.A.,

Author of "A History of the Ballad Literature and Popular Music of the Olden Time." Price 16s.

In Two Volumes, royal 8vo, cloth boards, 42s.

THE BALLAD LITERATURE AND POPULAR MUSIC OF THE OLDEN TIME:

A COLLECTION OF THE OLD SONGS, BALLADS, AND DANCE TUNES WHICH CONSTITUTE THE NATIONAL MUSIC OF ENGLAND; ARRANGED CHRONOLOGICALLY, WITH REMARKS AND ANECDOTES, AND PRECEDED BY SKETCHES OF THE EARLY STATE OF MUSIC, AND OF THE AMUSEMENTS ASSOCIATED WITH IT IN ENGLAND DURING THE VARIOUS REIGNS.

By W. CHAPPELL, F.S.A.,

The present Work, indispensable to all who are interested in the Popular Literature of England, is the result of many years' careful research among MSS., Black-Letter Books, and the numerous ephemeral Publications of the Sixteenth, Seventeenth, and the early part of the Eighteenth Century. The various Ballad collections, such as the Pepys, the Roxburghe, the Bagford, the Douce, the Rawlinson, &c., have been laid under contribution; whilst the Garlands collected by Pepys, Ashmole, Wood Luttrell, &c., have furnished considerable matter in illustration of the subject. The old Dramatists have been carefully gleaned for notices of Old Songs and Ballads, and every available source likely to enrich the Work has been examined and quoted. Thus, the book is not a mere collection of Old English Tunes, but an account, Popular and Literary, of hundreds of our Old Ballads; in many cases giving entire Ballads for the first time in an accessible shape. The Two Volumes contain upwards of Eight Hundred Pages, with Facsimiles from old MSS. and Printed Books.

OLD ENGLISH DITTIES.

All the Favourite Songs selected from "Popular Music of the Olden Time," with Symphonies and Accompaniments for the Pianoforte by G. A. MACFARREN; the long Ballads compressed, and in some cases new words written, by JOHN OXENFORD.

N.B.—All the most favourite of the Old English Ditties are also published separately, from Engraved Plates, Large Folio Size, each 1s.
